

casablanca

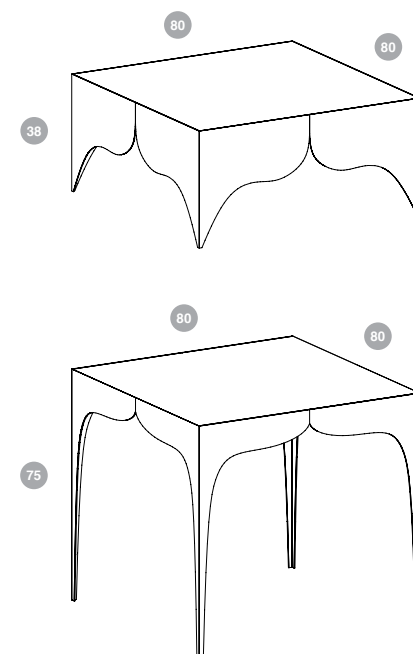

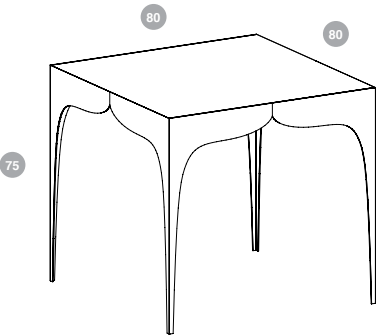

Mediterranean forms and colours have inspired the Casablanca line of tables, a fusion of antique traditions and urban contamination. The metal legs of sinuous profile evoke Arabic architecture, traditional decorations have inspired the laminate surfaces with geometric designs and weaves, engraved and painted by hand.
Table, varnished metal legs, MDF surface covered with stratified laminate, engraved and painted by hand.
Available in different colours.

casablanca

Forme e colori mediterranei hanno ispirato i tavoli Casablanca, fusione tra antiche tradizioni e contaminazioni metropolitane. Le gambe in metallo dai profili sinuosi evocano architetture arabe, i decori tradizionali ispirano i piani in laminato, con disegni e trame geometriche incisi e dipinti a mano.
