Small cubic storage unit on adjustable feet. The attention to detail, the joint and cut at 45° allow it to keep its perfect geometric shape which seems to disappear under the bichromatic optical effects resulting from the engravings.
Cabinet with internal moveable shelf. MDF frame covered with engraved stratified laminate. Adjustable feet. Available with two different graphic patterns.

Piccolo contenitore cubico su piedini regolabili. La cura dei dettagli, l'incastro e il taglio a 45° consentono di mantenere invariata la forma geometrica perfetta che sembra scomparire sotto gli effetti optical derivanti dalle incisioni bicromatiche.
Mobile contenitore con ripiano riposizionabile interno. Struttura in MDF ricoperta di laminato stratificato inciso. Piedini regolabili. Disponibile con due diversi motivi grafici.
